

## Poquoson Lions Club Virginia District 24-D

On the 27th of October our club planted 15 trees at South Lawson Park with the assistance of the City of Poquoson. This park was recently expanded with the inclusion of several soccer fields. This is the first of many projects at the Poquoson Lions have taken on the continued improvement of the park which will eventually include a playground, picnic facilities and even toilet facilities. The lions which participated included Mark Moncure, Kathy Feigh, Keith Feigh, Fred Lowack, Al Moor, Dan Lange, Bruce Edwards, Chris Hartman, Debby Clotfelter, Noel Talcott and Ray Carmines along with several others from the community who volunteered their time.
