## Governor's Message

Fellow Lions:

Can you believe that 2004-2005 Lion's year is almost completed? I certainly can't; it seems like just a couple months ago I was writing my first article for the newsletter and now I'm writing my last one AND..... where does one begin?

24-D, you are the greatest! The support you have shown our district as well as myself is unbelievable. How can a Governor fail when they have "D" working beside them.

The goals I set for 2004-2005 have almost been completed. Here are "our" results:

We were not able to replace our district float due to lack of funds and not having a sale for the current one. We truly need to rethink this; the float is great PR for Lionism. However, even if we have a great float in the parades, without Lions to walk and ride with it, it defeats the purpose. Having a float that is empty and lacking support is just a float. We need LIONS there also.

We had fewer speakers at the Region meetings and instead had a topic at each one with the clubs being able to speak at the last round. There were a lot of positive comments and we had a great turnout at each one.

We lost members, we gained members, we lost members, we gained members, we....not sure if we will be up or down, but let's hope up. Thanks to all the Lions that brought in a new member(s) and for those that did not, please keep asking!!

The KNIGHT'S VISION has been absolutely fabulous. Lion Sue, Lion Don and Lion Chuck as well as the entire Hampton-Mercury Lions Club have done one heck of a job. Our goal was to get it online so every Lion in the district had access to it and that was done. Thanks, as always a great job. The district chairpersons need to have more articles regarding your committees so everyone knows what is going on. Great tool, use it.

The Health Fair on the Eastern Shore (our district) was a great success. Started a little rough, but certainly a great day with a lot of individuals receiving assistance. Thanks to all the Lions that attended and helped out.

We are still looking for a satellite location on the Southside for our Eyeglass Recycling Center. If anyone has any ideas, please let me know.

I certainly do not know of any children that went unassisted for eye exams or eyeglasses. We have done a great job in helping our communities, but if anyone knows of anyone needing help, please let me know if your club is unable to assist.

Communications. So important. I hope that I communicated with everyone this year in a way you felt you knew what was going on. The cabinet secretary did an outstanding job in keeping the immediate cabinet informed.

We chartered Richmond County Lions Club who was sponsored by the Tappahannock Lions Club. I thank all the Lions that had a part in making this happen. Unfortunately, International took the charter for Christopher Newport University Campus Club, but we will keep going.

We had a great Journey for Sight, Bland Contest, Special Olympics, Diabetes Camp, good turnout at Michelob Ultra Golf Classic, will be having our Youth Exchange Camp, great Leo clubs and the list goes on. Why? Because of the great Lions in 24-D.

Fellow Lions, I wish to thank the immediate cabinet for the outstanding work you did this year with the clubs and district. You made my job as DG a "piece of cake." Your dedication never stops amazing me. This goes for all the Chairpersons this year. I can't thank you enough for all the support.

PCC Joe Brown, PCC Charlie Cunningham and PDG Dudley Godwin, where does one begin to thank you for all the great advice you gave me when I asked for your opinion. You have been a great supporter of mine from the beginning and you certainly did not let me down this year and for that I will always be grateful. Thanks for being there.

To Lion "Sissy", I appreciate your ear that I bent a lot and you never complained about hearing me out and being my "sounding board" at times. I love you and am so proud of what YOU have accomplished in your "career" as a Lion. Together, mama should be proud! (Ha-ha)

AND then there is our Cabinet Secretary, Lion Dave Harris. There is no where to begin for me to be able to thank Lion Dave for EVERYTHING he has done. I can assure you that no one will ever know the hours and hours he has spent not only accomplishing his duties as Cabinet Secretary but the extra miles he went with the clubs and individual Lions assisting them with reports, computer problems, answering questions, you name it. We were very fortunate to have someone that was willing to have the patience he has shown with all of us. Lion Dave, you are the greatest and I can never thank you enough.

To the greatest Lions in Lionism, 24-D, again thank you for your support and allowing me to serve as your District Governor. It is truly an honor I will never forget. Look forward to continuing to serve with each of you.

Yours in Lionism,

DG Debbie Ivey

# *Lions Family Diabetes Camp 2005*

by Lion Chester P. Kramer, Diabetes Camp Chairperson

The Lions Family Diabetes Camp 2005 was held April 29, 30 and May 1st at the Triple R Ranch in Chesapeake. We had 53 diabetic children, 42 parents and 24 counselors attending for a total of 116. Dr Marta Satin-Smith was our special guest for the weekend and held several interesting and educational sessions with the group. The lions of 24D were represented by 7 lions clubs with a total of 23 lions members helping with the many activities over the week-end. A great time was experienced by all who attended.

I want to thank all the lions clubs who supported the camp this year and those special lions that came out to help with the activities.

## District Pin Report

May 1, 2005

From: Lion Alexander R. Spruill  
District Pin Chairperson

To: Lion Debbie Ivey DG

Subj: District Pin Committee

This year has been a tough year for the District Pin Committee. With the International convention being held outside the United States, the sale of State pins has fallen way off. I was only able to sell about half of our allotted quota. The other districts in the State have had the same problem.

The clubs are not making as many pins as they have done in the past. Those who have done pins have changed the way they make the pins available to the Lions and to those who enjoy the hobby of collecting pins. The Pin Traders of Virginia maintain a catalog of all Virginia pins. The collectors outside of the district are having a hard time getting District D club pins if the club only lets their pin go to those who visit the club.

I have been able to aid these collectors when I can make arrangements to help the clubs sell their pins. I would like to be able to work more with the clubs.

The Breast Cancer Project is doing well in the district and throughout the State. We have grossed over \$950.00 at this point.

It has been my pleasure serving the District as District Pin Chairperson and as General District Pin Chairperson for the State.

Respectfully,

Lion Alexander R. Spruill

## Poquoson Lions and Leo Club Boards

Lightening only strikes once, and rarely if ever do father and daughter and father and son teams assume leadership positions in their respective Lion's and Leo's Clubs the same year. Well it just so happens that for 2005-2006 the Poquoson President Elect, Lion BT Smith will be matched by the Poquoson Leo's Club President, and his daughter, Leo Kameron Smith. Likewise, 1st Vice President, Lion Mark Moncure will be matched by the Leo Vice President, and again his daughter, Leo Mary Moncure. Finally, 2nd Vice President Ray Yannello's son, Leo Vince Yannello, will perform duties as Leo Treasurer. Leo Kameron, Leo Mary and Leo Vince will all be juniors at Poquoson High School next year and were recently elected. Pictured left to right are Lion Ray Yannello with his son Leo Vince Yannello, Lion Mark Moncure and his daughter Leo Mary Moncure and Lion BT Smith and his daughter Leo Kameron Smith.

## DIRECTORY CHANGE

The Gloucester Lions Club has a new Secretary: Lion Reida Avery, 12397 Rilees Farms Road, Gloucester, VA 2306. Work 804-758-5314, home 757-758-2764. Email: [avery@3bubbas.com](mailto:avery@3bubbas.com). She will also be the Secretary for Lions Year 2005-2006.

# EYE BANK REPORT

by Lion Bill Knoble, Liaison

I was given the job of being Eye Bank liaison on July 1, 2004. My instructions were to visit as many Lions clubs in the district as I could over the next year. I was also instructed on what goes on at the Eye Bank day to day by executive director Lion Dave Korroch and his staff. Chairman PDG Charlie Cunningham, PDG Richard Boone and PDG Dudley Godwin helped me as well. I read the history of the Eye Bank, how it began and what it has grown into today.

I prepared a program outline and picked up lots of freebies to hand out to Lions clubs when I visited them. I attended region and zone meetings and spoke with the presidents and secretaries concerning my doing a presentation at their club meetings. My message to all the clubs encouraged contributions to the Eye Bank. I let them know the importance of each club member to the organization.

The Eye Bank is our bank and we should give priority to contributing as much as we can on an annual basis. We should keep the Eye Bank uppermost in our minds, as blindness is our #1 priority. Helen Keller encouraged us to be "knights of the blind."

I have been welcomed in all clubs, and have visited forty clubs through the first nine months of this Lions year. We have now received \$15,900 in contributions. That is a gain of over 50% this year and above the goal given me by the Eye Bank board. I want to personally thank each club that has contributed through April 2005.

Following are the contributors year to date 2004-2005 by zone and region. For those of you who have not contributed year to date, we would appreciate your doing so by June 15, 2005. These contributions will be counted in Governor Debbie Ivey's year.

**Region 1, Zone A:** Northumberland - \$690, Middlesex - \$560, Matthews - \$500, Gloucester - \$300, Tappahannock - \$280, Total - \$2,330

**Region 1, Zone B:** Williamsburg - \$3,150, James City - \$3,000, Denbigh - \$600, Warwick - \$500, York - \$300, Oyster Point Mariner - \$200, Hampton Host - \$50. Total - \$7,800

**Region 2, Zone C:** Churchland - \$600, Southside - \$500, Western Branch - \$370, Deep Creek - \$50, Total - \$1,520

**Region 2, Zone D:** Wards Corner - \$1,000, Norfolk - \$400, Norview - \$200, Crossroads - \$120, Total - \$1,720

**Region 3, Zone E:** Oceana - \$400, Thalia - \$270, Bayside - \$260, Kempsville - \$250, Virginia Beach Center - \$250, Plaza Golden - \$200, Virginia Beach Host - \$200, Woodstock - \$160, Oceanside - \$110, Aragona Pembroke - \$140, Total - \$2,230

**Region 3, Zone F:** Central Shore - \$200, North Accomack - \$100, Total - \$300

I am enjoying my job as your Eye Bank liaison. We have six weeks to go to complete our year to serve our Eye Bank. Thank you all for your contributions year to date, and let me remind those of you not listed as a contributor to send in your contributions by June 15, 2005.

Lions who share a common direction and sense of community can get where they are going more quickly and easily because they are traveling on the trust of one another. In the

words of Moon Kosjer, PID, "We had a dream twenty-five years ago, we had a vision, we had faith and, most of all, we had the courage to act."

Our Eye Bank was created in 1979 and was founded with the help of Lions International and local Lions clubs. We are currently doing over 500 cornea transplants a year. Let's continue the tradition. Please help us. It is OUR Eye Bank.

## Local Shelters & Food Bank Report

May 1, 2005

From: Lion Gloria R. Spruill  
Local Shelters & Food Bank Chairperson

The clubs continue to support the local shelters and food bank each in their own way. Some donate money other collect and donate canned food and clothing. A few donate their time and talent at the shelters and food bank.

One club in the District collects and distributes 4,000 pounds of food items to the various shelters each month. During the year I have worked with many Lions collecting personal care items donating these items to nonprofit organizations who in turn make up hygiene packets and deliver these to the battered women's shelters.

It has been my pleasure to serve the community and the District.

Respectfully,

Lion Gloria R. Spruill

### **DISTRICT 24D 59TH ANNUAL FALL CONFERENCE October 14-16, 2005**

This year's Fall Conference will start with a golf tournament on Friday morning at Bide-A-Wee Golf Course, a golfer's paradise renovated in 1999 and reopened as a Curtis Strange signature course. It features bent grass greens, Bermuda fairways, two practice greens, a chipping green, driving range and a practice bunker. The Conference will be held in the Renaissance Portsmouth Hotel and Waterfront Conference Center located in the historic Olde Towne District of Portsmouth, opened in January 2001. All guest rooms and suites have bird's eye views of the river with plush furnishings and a host of amenities.

Check their web-site at [www.renaissanceportsmouth.com](http://www.renaissanceportsmouth.com)

Plan now to play golf and participate in the conference activities and workshops, and enjoy the fellowship we experience as we gather as Lions and friends. Additional information will follow as plans are finalized. Mark these dates on your schedule. See you there!

## Support Our District Newsletter -- Be An Advertiser

The Knights' Vision needs your support as an advertiser. We begin a brand new Lion year with the July issue. Current advertisements expire in June. Advertisers enable us to keep subscription costs down and provide complimentary copies to promote our district and Lionism.

The annual cost for a business card advertisement is \$50.00. A personal card costs \$35.00 per year. You can purchase a larger advertisement, a one-issue advertisement, etc. Business Manager, Lion Don Fuller, will be happy to provide rate information for other sizes and run-times.

Please offer your support by placing an ad in our District newsletter. Your fellow Lions will surely show their appreciation by supporting advertisers. It's a win-win situation!

If you don't have an advertisement prepared, we will be happy to create one for you. Contact Editor, Lion Sue Parr, via email at [sueparr@cox.net](mailto:sueparr@cox.net) to have your ad prepared.

You can submit prepared copy with payment or questions on rates to Business Manager, Lion Don Fuller via email at [don.fuller@cox.net](mailto:don.fuller@cox.net) or by mail with your check to: 615-B Regional Drive, Hampton, VA 23661 no later than June 1, 2005 for the July issue.
